## The Future Is Now Announcing Kaiser Permanente's La Habra Medical Offices

Join us at this private event, an exclusive unveiling of our new dynamic, telehealth capable and patient-centric medical offices.

See how patients are untethered from traditional waiting with options to engage or decompress. Learn how technology is enabled before, during and after an appointment.

Join your colleagues and market facing partners on a physician led tour and experience a new way of integrating health care into patient's lives.

Mark your calendar today.  
Space is limited.
